## **Autism Benefit Service Delivery: A Provider Perspective**

**on: September 29, 2020**

**Presenter:** Jeana Koerber, Ph.D., BCBA-D, LBA, Great Lakes Center for Autism Treatment and Research/Residential Opportunities, Inc.

**Course Description:** This presentation will provide an overview of the Autism benefit and the services providers can complete. A range of services from onset of diagnosis through age 21 as well as what services may be available for these individuals after age 21 will be discussed.
